

CAMP BARK-LY 2014

Camp Bark-ly is a day camp open to youngsters ages 6 through 11 years old who are interested in domestic animals. It focuses on graduating campers who are responsible pet owners. We encourage campers to share what they have learned about being a great animal caregiver.

Camp Bark-ly provides an opportunity to learn more about pets while getting hands-on experience with the well-trained pets of the Camp Bark-ly staff and guest speakers. Campers will learn about the special needs of animal species and which ones might make the best pet for their home.

Session 1: July 14 - July 18 - 8:45 am- 12:15 pm - for campers 6 - 8

Session 2: July 21 - July 25 - 8:45 am- 12:15 pm - for campers 9 - 11

The cost of Camp Bark-ly is \$75 for a one-week session. The fee includes a free Camp Bark-ly shirt.

We enroll campers on a first-come, first-served basis when they have submitted complete application paperwork. Enrollment is limited to 24 youngsters in each session.
